Your final bill will reflect appropriate sales tax and service charge of 15%. All are attractively set up as a buffet - you provide the table & tablecover. We provide disposable serving utensils, high quality, heavy duty disposable plates, forks, knives, and napkins.

If you require chafers to keep the food warm, we can either provide disposables or stainless (and return for the equipment for a small extra charge, if necessary).

We accept Visa MasterCard and American Express.
