To Whom It May Concern:

On behalf of the Association for Los Angeles Deputy Sheriffs, this letter is to recommend Sheri Smith of Gourmet Catering.

On August 26, 2000, and July 14, 2001, Gourmet Catering handled our annual membership picnics for nearly 3,000 guests. Events of this magnitude nearly always have some problems – not with Sheri. At both events, the food was delicious and the coordination of the day was handled to our complete satisfaction.

Sheri's enthusiasm for her job is refreshing, and ALADS would not hesitate to contract with her again in the future.

Sincerely,

Pete Brodie
Director
