Dear Sheri and John:

Tony and I thank you for your outstanding catering for our wedding on January 10. Our work and travels have allowed us to attend many banquets, and your food was among the best. In fact, Tony stated, "That was the best food I've had at any wedding!" He especially cared for your salad of butter lettuce, goat cheese, candied pecans, and pomegranate and I loved your oysters, King crab claws, and scallops. Your elegant table décor, combining the Oriental with the nautical, achieved the quaintness that we had aimed for. This originality was also obvious in the cooking. Not only did the food taste good, there was also plenty of it! It is not surprising that my senior partner and our office manager have already requested your numbers.

Again, thank you for helping make our special day memorable.

Sincerely,

Thanh and Tony
